

# **Col. Cayce and the Transit Route.**

**TO THE EDITOR OF THE HERALD.**

**New York, August 19, 1857.**

In your issue this date you publish my name and state that I have been acting as "special agent of Commodore Vanderbilt to obtain the grant of the transit route from Nicaragua."

Being simply an humble soldier, and with no ambition inconsistent with such a station, I beg to deny any complicity in Commodore Vanderbilt's projects for the attainment of the much coveted transit route.

Be pleased to do me the justice of publishing this my denial and much oblige yours truly,  
**W. P. CAYCEE,**  
Colonel Costa Rican Army.
