Spring Lambs dull at present prices; drovers will lose on those they have on hand; they must buy at lower prices to sell readily. Not more than half the number of Calves that there was last week; prices about the same. J. B. Cook, esq., had a carload of Cows and Calves from Kentucky.

Philadelphia Cattle Market.....MAY 27.

There was a much better supply of Beef Cattle yesterday and to-day than the week previous, still the number offered is not sufficient to have the effect of reducing the price.

BEEF CATTLE—The entire number sold amounted to 950 head, at prices varying from \$11 to \$12 1/2, \$13 1/2, and as high as \$14 per 100 lb, and but few were sold at the lowest rate. The butchers are loud in their complaint of high prices, and intend to hold a meeting on Monday next for the purpose of adopting some measure to reduce the rates.

SWINE—This market was very well supplied, though not beyond the demand; the sales amounted to 4,050 head, at from \$5 1/2 to \$7, gross.

HOGS—The demand for Swine continues good, and the sales this week amounted to 1,800 head, at prices ranging from \$8 1/2 to \$9 and \$9 1/2 per 100 lb, as in quality.

COWS AND CALVES—There has been but little change in this market, the sales having reached 375 head, at from \$20 to \$30 for Dry Cows, and from \$40 to \$60 for Milch Cows, with Calves by their side.
