

 ENCOURAGING NEWS FOR THE CAUSE OF NICARAGUA.—We have been kindly furnished, says the Selma, Alabama, Sentinel, with the perusal of a letter from Col. Rudler, written at Augusta, Ga., dated August 14, to Col. Brantley, of this place, from which we are permitted to make the following extract:

“Gen. Walker is now at Charleston. I look for him through here to-morrow or next day, on his way back for New Orleans. I have good reason to believe that the necessary funds will be raised without going any further than Charleston. This place took \$25,000 worth of bonds. Gen. Walker stopped here three days. While here he received some very important letters from Nicaragua. There will be but little resistance made to our re-entering Nicaragua. Everything looks very flattering.”

We also learn that several of Walker's officers are recruiting in this State, and that it is thought that at least a battalion, and perhaps a full regiment of Texas Rangers will return to Nicaragua with Gen. Walker. They will “hurry up the cakes,” if an opportunity offers.
