

**NICARAGUA.**—President Rivas has issued a decree of the government of Nicaragua, conferring on Edmund Randolph and his associates, exclusive right of transit and navigation from San Juan on the Atlantic to San Juan on the Pacific, for 15 years. The decree is dated February the 29th. It makes reference to a previous decree, in which the charter of the present company is revoked. Mr. Randolph is an immediate and personal friend of Gen. Walker, and recently joined him.

Gen. Walker has levied an attachment upon the property of the transit company to enforce the payment of claims of the government for arrearages of transit dues.
